Sir:

RESPONSE TO IMPROPER NOTIFICATION OF ABANDONMENT

This is responsive to an Abandonment/Termination Letter mailed June 2, 2004. The Letter indicates "Applicant has failed to respond to Petition Decision". This is incorrect.

The "Petition Decision" referred to is a communication dated October 22, 2003 and concludes with a comment (page 2, next last paragraph) "Applicant is required to file a proper response within two months from the mail date of this communication. A proper response would include declarations properly executed by inventors Martinus Vrouenraets and Gerardus Viisser."

On December 5, 2003 I filed a response to the communication in question which included the appropriate declaration signed by all three inventors, including the two individuals named. This response was a full and complete response to the Communication of October 22, 2003 and therefore applicant **did** provide the necessary

response. As proof of this filing attached is a true and correct copy of the postcard receipt bearing the date stamp of December 5, 2003 as well as the response itself and inventors' declaration.

This application should not be considered as abandoned but instead should be returned to the active files and processing continued on the basis of the inventors' declaration submitted December 5, 2003.
